ADOPTION ORDER

This Order adopts the Integrated Energy Policy Report Committee recommendations as found in *Recommended Changes to Interconnection Rules (Publication CEC-100-2005-003-CTF)*, issued on January 6, 2005, as the recommendations of the Commission.

This Decision is based upon written and oral comments from the public and from other agencies that have been received and placed in Dockets 04-DIST-GEN-1 and 03-IEP-1; written and oral comments filed for purposes of hearings held today and on December 10, 2004; and the Report entitled *Rule 21 Working Group Recommended Changes to Interconnection Rules (Publication 500-84-087SD)*, issued by Staff and the Rule 21 Working Group on November 10, 2004.

This Order adopts by reference the text, recommendations, and direction set forth in the Report.

FINDINGS

The Energy Commission hereby adopts the following findings:

1. The recommendations set forth in *Recommended Changes to Interconnection Rules (Publication CEC-100-2005-003-CTF)* represent the opinion of the Commission in the matter of interconnection issues identified in the Commission Docket 04-DIST-GEN-1 and 03-IEP-1.
2. The recommendations set forth in the above-mentioned report shall be submitted to the CPUC for inclusion in CPUC proceeding R.04-03-017.
3. The Executive Director shall submit this order to the CPUC for its consideration and adoption of related utility tariff provisions. The Commission shall work with the CPUC to assure the record in this proceeding may be applied to CPUC Proceeding R.04-03-017 as it deems appropriate,

4. The CPUC will develop a proposed decision in response to the Commission's recommendations. Parties commenting on the proposal will not be entitled to re-litigate positions expressed in this proceeding. A CPUC final decision will follow the designated comment period as determined by the CPUC.
5. The Commission will continue its collaboration with the CPUC to address distributed generation issues, particularly as it relates to Energy Commission Dockets 04-DIST-GEN-1 and 03-IEP-1 and CPUC Proceeding R.04-03-017.

ORDER

The Energy Commission hereby adopts the following orders:

1. The Report (*Recommended Changes to Interconnection Rules (Publication CEC-100-2005-003-CTF)*) is hereby adopted by the Commission as its position on the DG interconnection issues presented in this phase of Commission Dockets 04-DIST-GEN-1 and 03-IEP-1. Such recommendation shall be presented to the CPUC for consideration in CPUC proceeding R.04-03-017.
2. The Executive Director shall transmit a copy of this decision, and the final Commission report to the CPUC for docketing in CPUC proceeding R.04-03-017.
