

Notice of Decision by the California Energy Commission

To: California Resources Agency
1416 9th Street, Room 1311
Sacramento, CA 95814

From: California Energy Commission
1516 9th Street MS-2000
Sacramento, CA 95814

Subject: Filing of Notice of Decision in compliance with Public Resources Code Section 21080.5 and Title 20, California Code of Regulations, Section 1768

Project Name: Bottle Rock Geothermal Power Plant

Energy Commission Docket Number: 79-AFC-4C

Energy Commission Contact Person: Nancy Tronaas **Phone #:** 916-654-3864

Project Location: Lake County, California

Project Description: Extension of the current environmental monitoring program for suspended operations of the power plant for 18 months from the date of approval of the subject petition to November 11, 2006.

On May 11, 2005 the California Energy Commission approved the above-described project pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. The project will not have a significant effect on the environment.
2. Mitigation measures were made a condition of approval of the project.
3. A statement of Overriding Considerations was not adopted for the project.

The Commission's docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. The final Decision and other information regarding the project are also available on the Commission's web site--www.energy.ca.gov.
