RE: Repeated Application for Confidential Designation: Final Cultural Resources Report for Application for Certification for Pastoria Power Project (99-AFC-7C)

Dear Mr. Blevins:

Pursuant to Title 20 of the California Code of Regulation, Pastoria Power Company ("Pastoria") hereby submits this "Repeated Application for Confidential Designation: Cultural Resources." Enclosed is one copy of the subject document.

The Commission's Executive Director granted Pastoria's request for a prior confidential submittal in this area and extended the confidential designation to "Any subsequent submittals of additional cultural and/or paleontologic resources...if you file a certification under penalty of perjury that the new information is substantially similar to that which is granted confidential status..."

I certify under penalty of perjury that the information contained in this "Repeated Application for Confidential Designation" is substantially similar to the material for which confidential status was previously granted. The foregoing is true, correct and complete to the best of my knowledge and belief.

Sincerely,

A handwritten signature in cursive that reads "M. Argentine".
