Interested persons can suggest proposals for clarifying the Standards, providing consistency, or making other minor changes to improve the Standards' effectiveness. The Energy Commission encourages such persons to include the Standards document(s) and section number(s) for their proposed changes. Depending on the number of persons wishing to speak, the Energy Commission may place a time limit on each person's comments and encourages comments and any supporting materials in writing.

Persons wishing to propose substantive changes to the Standards are requested to complete a Measure Template and submit it to rverma@energy.state.ca.us and mshirakh@energy.state.ca.us. The "blank" template is posted at <http://www.energy.ca.gov/title24/2008standards/documents/>.
