**Re: Bottle Rock Power Plant (79-AFC-4)
Compliance Submittals**

Dear Mr. Meyer:

Pursuant to Conditions of Certification ("COC") for the Bottle Rock Power Plant, Bottle Rock Power, LLC ("BRP") submits this letter to verify compliance with Cultural Resources COC 4-4. Specifically, BRP conducted an onsite training session with plant personnel on December 14, 2006 at 11:00 a.m. to instruct such personnel to avoid all contact with flagged or fenced sites identified as sensitive areas and to avoid disturbance of any historic or archaeological material (see the enclosed sign-in sheet). In addition, BRPC will continue to conduct onsite training for any new employees or construction personnel.

Should you have any questions regarding this submittal, please do not hesitate to contact me at (916) 447-0700.

Very truly yours,
