RE: Application for Confidentiality  
El Segundo Power Redevelopment  
Docket No. 00-AFC-14

Dear Mr. Hilton:

On August 24, 2007, El Segundo Power II LLC (ESP II) filed an application for confidential designation of information regarding its strategy and plans to secure a power purchase agreement in the above-referenced Application for Certification. California Energy Commission (Energy Commission) staff have reviewed ESP II's submission and have determined that the Energy Commission does not need the information that was filed. I am returning the information that you have submitted enclosed with this letter. Consequently, I will not need to make a confidentiality determination. If you have any further questions concerning this matter, please contact Fernando De Leon, Senior Staff Counsel, at (916) 654-4873.

Sincerely,

B. B. BLEVINS
