<b>NAME:</b>	Joseph Caldwell	<b>DATE:</b>	10/3/2007
<b>TIME:</b>	4:30 pm		
<b>WITH:</b>	Albert A. Webb Associates		
<b>SUBJECT:</b>	Cumulative Analysis For SVEP-Homeland/Romoland Area Drainage Plan		

**COMMENTS:**

Joseph Caldwell of Albert A. Webb Associates stated that the Homeland/Romoland Area Drainage Plan for the Riverside County Flood Control and Water Conservation District has an estimated start-up date of mid-2008. The project is expected to last 18 months and cost \$50 to \$60 million. No employment information was available.
