Project Title: Starwood Power-Midway Peaking
Project

(X) TELEPHONE() MEETING LOCATION:

NAME: Heather Blair, Aspen Environmental Group

TIME: 5:10 PM

DATE: October 29, 2007

WITH: Susan Jones, Branch Chief, USFWS
Sacramento Office

PHONE (916) 414-6600

ADDRESS: 2800 Cottage Way, W-2605, Sacramento, CA 95825

SUBJECT: Starwood Power-Midway Peaking Project – Alternative Water Supply Analysis

COMMENTS:

I provided a summarized description of the alternative water supply and the Applicant's analysis to Susan Jones via email and inquired whether the alternative water supply would warrant additional San Joaquin kit fox (SJKF) habitat compensation or an amendment to the proposed project's Biological Opinion (BO). In her response via telephone, Ms. Jones stated that *the alternative would not require additional SJKF habitat compensation and the BO does not need to be modified.*
