**Docket Number: 03-RPS-1078, RPS Proceeding**

To the Executive Director:

Effective immediately, GreenVolts hereby withdraws its request for Supplemental Energy Payments for the GV1 project and the related Confidentiality Application. Both documents were submitted to the California Energy Commission on August 23, 2007. The cause of this request is the passing of Senate Bill - 1036. In conjunction with these withdrawals, GreenVolts also requests the return or confirmation of destruction of any confidential materials provided to the Energy Commission.

Please feel free to contact me with any questions or concerns regarding this matter. GreenVolts looks forward to continuing its relationship with the Energy Commission.

Regards,

Eric Romo
