Subject: 2008 Building Energy Efficiency Standards Docket # 07-BSTD-1

DOCKET 07-BSTD-1	
DATE	JAN 8 2008
RECD.	JAN 08 2008

I find this piece of legislation a complete slap in the face of Californians and the American Public at large. Not only does this intrude on our freedoms, I am sure it is unconstitutional. I plan on using on linking this on my website and will not stop trying to inform the public. You're only purpose is to protect the freedoms of who you serve, but this sounds your motivation is coming from other sources.
