Subject: Are you out of your minds?

This beats all. Once again big brother government can't wait to enter our homes and run our lives. This cannot be allowed to stand, and it's time for all that "serve" in government that love this idea to realize they should all resign. California is no longer a "Progressive State," it's becoming a Regressive State"

No wonder California is seen by the other 48 states as the land of fruits and nuts!
