**Date:** 1/14/2008 11:39 AM  
**Subject:** Title 24 regulation of Gas and Elictricity by installing control devices

This regulatory agency has run arnuk. This agency had better seek ways to increace the production and availability of gas and electriciy. Global warming is not the result of C02 emissions produced by man and there are ample resources at our disposal to insure our energy needs are met without harming the environment.
