I will make this as succinct and polite as possible:

NO GOVERNMENT CONTROLLED THERMOSTATS !

I do not know, nor do I care, who the FASCIST is that concocted this OBSCENE idea, but know this:

I WILL NOT ALLOW THE GOVERNMENT TO CONTROL THE TEMPTRTURE IN MY HOME !

This is the United States of America, and such dictatorial totalitarian edicts by government have NO PLACE here. They also subvert The Rule of Law, and that always has consequences no Civilized individual wants to see.

And since I do not write anonymous letters -- or e-mails -- I will sign this:

Your Humble and Obedient Servant,
