Ms. Melissa Jones
CEC Executive Director
Executive Office, 1516 Ninth Street
Sacramento, CA 95814

Dear Ms. Jones:

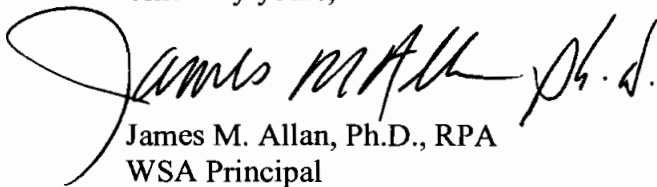

Enclosed please find five copies of our letter report on the Archaeological Survey of the Proposed Potable Water Line Route for the Victorville 2 Hybrid Power Project in Victorville, CA. An appendix to this report contains the report of an archaeological survey conducted within the Victorville 2 project area that contains sensitive archaeological information that should remain confidential.

The information contained in this report is substantially similar to that contained in a previous submission to the CEC that has been granted confidential status. This previous report, dated February 2007, was provided to the CEC on behalf of the Victorville 2 project and was assigned a Docket Transaction Date of March 8, 2007, and a Docket Transaction Number of 39667.

We are submitting the enclosed report with a request for confidentiality. On behalf of the project, I certify under penalty of perjury, that the enclosed material is substantially similar to that previously submitted and that all facts and circumstances relevant to confidentiality remain unchanged.

Please let me know if you have any questions or need anything further.

Sincerely yours,

James M. Allan, Ph.D., RPA
WSA Principal
