WHERE ARE YOUR BRAINS?

PEOPLE WILL JUST USE PORTABLE HEATERS IN THERE HOMES ALSO PORTABLE FANS FOR COOLING HOW ARE YOU GOING TO STOP THAT.
NO WAY I AGREE WITH THIS STUPID IDEA. THE MENTIONED ABOVE ITEMS WILL USE MORE POWER THAN LEAVING THE HOME ALONE. I ALREADY HAVE THE HEATERS AND SIX FANS FOR OUR HOME. ALSO WHERE ARE YOU GOING TO PUT THE TOWERS TO CONTROL THE THERMOSTATS. MY CELL PHONE STILL HAS PROBLEMS FOR CONNECTIONS WE LIVE IN A AREA WHERE IT IS HARD FOR SIGNALS. GOV. WASTE AGAIN.
