>>> "Elizabeth O'Donnell" <eodonnell@earthlink.net> 1/13/2008 12:33 PM >>>

I think this is a TERRIBLE idea. The government should not be able to invade people's homes and regulate their lives. The whole idea smacks of fascism. This plan opens the door to all kinds of abuses. A voluntary program is one thing, but a compulsory one is positively un-American. Sincerely, Elizabeth O'Donnell
