Arthur Rosenfeld

Dear Arthur Rosenfeld:

I won't stand by while the "We know better than you" Government makes plans to take over even more of our lives and our decisions. What will be next, a government issued toilet paper dispenser??

Stop the government intrusion into our own homes by requiring homeowners to install a thermostat that can be adjusted by government bureaucrats.

Californians already rank dead last among the 50 states in our per capita consumption of electricity. The average Californian uses about half the electricity as the average American, and less than consumers in Luxembourg, Guam, the Cayman Islands and Aruba.

NO MORE NANNY STATE. Go back to the proper job of the state... PROTECTING our RIGHTS.

Stop the expansion of the government nanny state. Oppose the government controlled thermostats in our own homes.

Sincerely,

Ronald Little
