Jackalyne Pfannenstiel

Dear Jackalyne Pfannenstiel:

You know, I am truly astonished. On one level this is funny, on another frightening. Mostly it is sad. I have voted in every election. I voted for Goernor Schwarzenegger, and have defended his actions. I don't know that I will do that again. Oh, and by the way, I already do a great deal to conserve energy, so this is not about being unwilling to do that. For goodness sakes, please rember this is still a free country and do something sensible with the authority you have.

Wendy Widlus

Sincerely,

Wendy Widlus
