Joe -

I'm sorry for the delay in our response. Attached is the information we have. This work force is expected to come largely from out of the area with a local hire goal of 10%.

Mike,
That is fine. I look forward to receiving the information.

Joe -

We don't have the work force info for you yet on the pipeline removal project at Humboldt Bay Power Plant but we expect to have it by the end of the week. Will that work for you?

Thanks,
Mike Momber
