Jackalyne Pfannenstiel

Dear Jackalyne Pfannenstiel:

Please stop the government intrusion into our own homes by requiring homeowners to install a thermostat that can be adjusted by government bureaucrats.

Californians already rank dead last among the 50 states in our per capita consumption of electricity. The average Californian uses about half the electricity as the average American, and less than consumers in Luxembourg, Guam, the Cayman Islands and Aruba.

Stop the expansion of the government nanny state. Oppose the government controlled thermostats in our own homes.

How dare you think you have the right to intrude into our homes. How dare you want to impose big brother tactics on us. Gov. Schwarzenegger, you have seriously disappointed me so far. Keep it up. All of you, will be held accountable, by the taxpaying voters.

Sincerely,

Curt R. Blau
