Jackalyne Pfannenstiel

Dear Jackalyne Pfannenstiel:

Please stop the government intrusion into our own homes by requiring homeowners to install a thermostat that can be adjusted by government bureaucrats.

I couldn't believe it when I tried to buy a pool pump and found that some idiot government law prohibited the RS1000 pool pump. This has got to stop now.

Stop the expansion of the government nanny state. Oppose the government controlled thermostats in our own homes.

Sincerely,

Roland A. Davis
