Jackalyne Pfannenstiel

Dear Jackalyne Pfannenstiel:

Please stop the government intrusion into my home by requiring me to install a thermostat that can be adjusted by anyone other than myself.

Californians already rank dead last among the 50 states in our per capita consumption of electricity. WE ALREADY DO A GREAT JOB OF CONSERVING ENERGY.

Stop the expansion of the governmental intrusion. Oppose the government controlled thermostats in our own homes.

best regards and aloha,

mike ford
