Re: Bullard Energy Center – Termination of AFC

Dear Mr. Celli:

On January 29, 2008, we notified Pacific Gas & Electric Company, according to the terms of the Power Purchase and Sale Agreement between Bullard Energy Center, LLC and Pacific Gas & Electric Company, that we were terminating said agreement. We have been unable to obtain a zoning change from the City of Fresno in a timely manner but may continue to pursue a future project at that site.

At this time, we request that our Application for Certification for Bullard Energy Center, LLC be terminated and remaining funds, if any, from our application deposit be returned to us. We appreciate the work of you and the CEC staff in this matter and regret that the project is not able to go forward.

I attest under penalty of perjury that the foregoing is true and accurate to the best of my knowledge, information and belief.

Should you have any questions, please contact me (801) 253-1278.

Very truly yours,

Gary R. Chandler  
President  
Bullard Energy Center, LLC
