Dear Ms. Wiggett and Mr. DeLeon:

Our firm represents Layman Energy Associates, Inc. (LEA) and Iceland America Energy, Inc. We are submitting on behalf of LEA, recipient of the Geothermal Resources Development Account Program Energy Commission Grant Number GEO-04-007, and on behalf of IAE, owner and developer of the Truckhaven geothermal resource project, the enclosed Final Report on the Drilling and Testing of an Exploratory Well at the Truckhaven Geothermal Area, in Imperial County, California together with the Application for Confidential Designation (Application). The original Application and 5 additional copies are being submitted to Mr. DeLeon, and Ms. Wiggett is receiving one copy of the same. We understand that Messrs. Erik Layman and/or Magnús Jóhannesson must remain available during the review process in case either you or your technical staff has further questions.

Thank you for your prompt consideration of this matter. If you have any questions, or need additional information, please call me.
