I have been informed by staff that you need a request from the legal office in order to close docket number 06-OIR-1. The Energy Commission officially adopted regulations under this proceeding on August 29, 2007 and these regulations were approved by the Office of Administrative Law on October 16, 2007. Therefore, the rulemaking is complete and this docket number is no longer needed. For this reason, I am requesting that it be officially closed. Please let me know if you would prefer this request to be in the form of a letter. Thank you.
