

DELEGATION OF AUTHORITY

Pursuant to the authority granted to me as an officer of **Inland Empire Energy Center, LLC** (the "Company") I hereby delegate to **Francisco Escobedo**, Director, Asset Management:

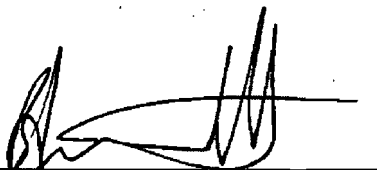

The authority to execute sales, purchase and consignment contracts, bids therefor, (including but not limited to gas and electricity sales, purchase and/or trading contracts) and documents in connection therewith (including but not limited to bids to and contracts with any Municipal, County or State Government, or with the Government of the United States or a foreign country, or with any agency or department of any such Government) and bonds to secure the performance of such bids and contracts.

Installation, erection, and service contracts and bids therefore and documents in connection therewith (including but not limited to installation, erection and service contracts and bids therefore with any Municipal, County or State Government, or with the Government of the United States or a foreign country, or with any agency or department of any such Government) and bonds to secure the performance of any such contract or bid.

Assignments, waivers of lien, release, guaranties, mortgages, indentures, credit agreements and such other agreements, documents or other instruments as may be necessary or advisable, relating to either direct or indirect financing in connection with sales by the Company, or the collection of debts, and proofs of claims and other instruments to be filed or used in any bankruptcy or insolvency proceedings.

This Delegation of Authority shall be valid until December 31, 2008, unless revoked sooner, whichever occurs first.

Dated as of this 6th day of August, 2008.
