All of you will be making a decision shortly regarding the Otay Peaker Plant.

I am appealing to your social conscience to revoke this plant. I would hope that each of you would consider these projects for other neighborhoods as though they were going to be a part of your own (neighborhoods). Thinking of the young & the old that live with or near you, I would also hope that you would not want them exposed to this kind of project, that their health & well being would be of utmost concern for you. That the penny being thrown into the Chula Vista Piggy Bank would not lure you to make an erroneous decision that would forever effect everyone in or near the project. The people who elected each of you are the ones who will live with this. Is this how you repay them?
Please be a conscientious official & reject this egregious project.
Registered Voter & Chula Vista Citizen, Bettie Lupi
