The Honorable Jackalyne Pfannenstiel,
Presiding Member, California Energy Commission

The location of the MMC Peaker Plant in Chula Vista violates the laws of this city. Please to not permit a further extension of this plant. Urge the MMC to choose a location farther from homes and schools and to transfer the whole works to that spot. Their own Code of Conduct requires that they abide by the laws of Chula Vista.

Sincerely,
Kathryn M. Radinovsky
