IN THE MATTER OF:

DOCKET No. 08-EPS-1

ORDER No. 08-1105-2

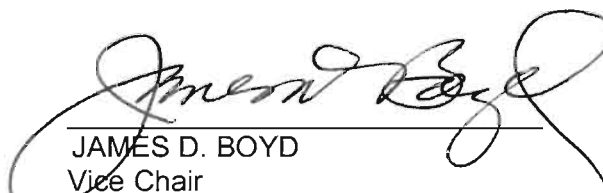

ORDER

On October 21, 2008, the Sacramento Municipal Utility District (SMUD) submitted a compliance filing in conformance with Title 20, California Code of Regulations, Section 2909. Pursuant to Title 20, California Code of Regulations, Section 2910, the Executive Director recommended that the Energy Commission find the procurement in compliance with the Commission's SB1368 regulations.

Based on SMUD's compliance filing, the Executive Director's recommendation, and the absence of any opposition, at a regularly scheduled business meeting on November 5, 2008, the California Energy Commission found that SMUD's twelve-year power purchase agreement (PPA) with Iberdrola Renewables, Inc. for the purchase of energy, capacity attributes, and environmental attributes from a 55 megawatt biomass facility complies with Title 20, California Code of Regulations, Section 2900 et seq.
