Docket: 07-AFC-4

The Honorable James Boyd
Associate Member, California Energy Commission
1516 Ninth Street #MS-32
Sacramento, CA 95814

The Honorable James Boyd:

The location of the MMC Peaker Plant in Chula Vista violated the laws of the city. Please do not permit a further extension of the plant in the current location. Urge the MMC to choose a location farther from home and schools and to transfer the whole works to that area. Their own Code of Conduct requires that they abide by the laws of Chula Vista.

Sincerely

Kathryn M. Radinovsky
