Good afternoon Mr. Celli,

Beacon's ownership has not changed. FPL Energy (as a corporate entity) has simply been renamed as Nextera Energy Resources, LLC. The corporate structure under FPL Group is exactly the same as when it was FPL Energy and Beacon maintains the same relationship with Nextera Energy Resources, LLC. Sorry for the confusion. If a more official answer is required, I'd be happy to request something publically releaseable from the legal team, however I didn't want to wait too long to clarify the subject.

Please let me know if you have additional questions.

Best Regards,
Meg
