RE: *Beacon Solar Energy
Proof of Service List
Docket No. 08-AFC-2*

DOCKET	
08-AFC-2	
DATE	FEB 09 2009
RECD.	FEB 09 2009

Attached is the **newly revised** Proof of Service List for the above-mentioned project, current as of February 9, 2009. Please pay particular attention to the **new** filing instructions.

Energy Commission regulations (Cal. Code Regs., tit. 20, § 1210) require, in addition to any electronic service, that a paper copy be served in person or by first class mail except where a party requests to receive an electronic copy when one is available. Individuals and groups on the Proof of Service list who prefer to receive filings by email and do not require a paper copy shall inform the Hearing Officer assigned to the proceeding.

The Proof of Service list for this matter will delineate those individuals and groups and it is sufficient to serve those individuals with an emailed copy only. Those not so delineated must be served with a paper copy in addition to any emailed copy that the filing party chooses to provide. Signatures may be indicated on the electronic copy by "**Original Signed By**" or similar words. The original signed copy shall be filed with the Energy Commission's Dockets Unit.

Any new addition(s) to the Proof of Service will be indicated in **bold font** and marked with an asterisk (*). Additionally, if two or more persons are listed on a Proof of Service List with a single address, only one physical copy of a document need be mailed to the address.

Use this newly revised list for all future filings and submittals. This Proof of Service List will also be available on the Commission's Project Web Site at:

[<http://www.energy.ca.gov/sitingcases/Beacon/index.html>].

Please review the information and contact me at rmavalos@energy.state.ca.us, or (916) 654-3893, if you would like to be removed from the Proof of Service or if there are any changes to your contact information.
