RE: MID Submission to Bulk Transmission Data Request

To Whom It May Concern:

MID has no independent transmission projects above 100 kV planned at this time, however MID is a participant in other transmission projects through the Transmission Agency of Northern California (TANC). Those projects will be submitted by TANC.

Any questions you may have concerning MID transmission can be directed to:

Ed Jeffers                      Bulk Transmission Info.                      (209) 526-7516
