Subject: 09-IEP-1B City of Needles electricity resource plans
Attachments: Needles S-1, S-2, S-5 Supply Forms 3-2-09.xls; Needles S-3 form 3-2-09.xls

DOCKET**09-IEP-1B**DATE MAR 02 2009RECD. MAR 02 2009

Dockets:

Please docket this transmittal email that provides electricity resource plan data from the City of Needles, in full compliance with our data request in support of the 2009 IEPR. I have reviewed the data with Mr. Patrick Erwin of Western Area Power Administration (WAPA) and find it completely satisfactory.

This is a first time filing from Needles, a very small publicly owned utility located in southeast California along the Colorado River. Thank you.
