Re: **Withdrawal Request - Submittal No. 07-0902**

Dear Mr. Yasny:

This letter documents the official withdrawal of the application made to the California Energy Commission by the Sycamore Cogeneration Company (Sycamore) to add a potable water supply as back-up process water. Based on an initial response from staff, this project has been deemed impractical, and will not be pursued.

If you have any questions, please contact Daniel Beck at (661) 615-4660.
