Mr Boyd,

We are looking forward to the hearing in Chula Vista regarding the CVEUP. Our community in Southwest Chula Vista is ecstatic that someone is listening to our concerns and does not approve of a gas-fired power plant in a neighborhood of existing homes and business. Please remain stoic as there are many powerful interests that will be pressuring you. Thank you very much for your common sense decision on this issue.

David Danciu
Secretary of the South West Chula Vista Civic Association
Board member Crossroads 2 civic association
