 > RE: Docket No. 07-AFC-4: Urge CEC DENIAL of Chula Vista Energy Upgrade
 > Project
 >
 > Dear Chair Douglas and Commissioners:
 >
 > I/(Your organization) am writing today to urge you to deny the
 > application of the Chula Vista Energy Upgrade Project. This project as
 > proposed violates our General Plan that were specifically designed and
 > adopted to protect our community health. This peaker plant would be
 > located too close to homes and should not be allowed. There are also
 > many reasonable alternatives to this project, both in alternative
 > locations and using cleaner more sustainable types of energy generation.
 >
 > I strongly support Commissioner Boyd's recommendation in the Proposed
 > Decision and urge you to deny the project on May 20th .
 >
 > Thank you for your consideration.
