RE: SES Solar One Project  
Applicant's Responses to CEC and BLM Data Requests 1-91

Dear Mr. Meyer,

The applicant respectfully requests additional time, beyond the 30-day period from when the CEC and BLM Staff Data Requests Set 1 (Requests 1-91) were docketed, to respond to some of the requests. Many responses to CEC and BLM Data Requests, with the exception of Air Quality and Soil and Water Resources, will be docketed within the 30-day period. However, we request an extension until August 31, 2009 to respond to the Air Quality Data Requests (1-49) and Soil and Water Resources Data Requests, due to both the extent and substance of these requests. It is anticipated that while some responses to Soil and Water Resources Data Requests will be submitted within the 30-day period, others would not (namely, 71-73, 76-79, 81, and 85).

The Applicant will make every possible effort to respond to all CEC and BLM Staff Data Requests as soon as possible.

I certify under penalty of perjury that the foregoing is true, correct, and complete to the best of my knowledge.

Sincerely,

Camille Champion  
Project Manager
