

Notice of Decision by the California Energy Commission

To: California Resources Agency
1416 9th Street, Room 1311
Sacramento, CA 95814

From: California Energy Commission
1516 9th Street MS-2000
Sacramento, CA 95814

Subject: Filing of Notice of Decision in compliance with Public Resources Code Section 21080.5 and Title 20, California Code of Regulations, Section 1768

Project Name: Colusa Generating Station Project

Energy Commission Docket Number: 06-AFC-9C

Energy Commission Contact Person: Chris Davis **Phone #:** 916 454-842

Project Location: 14 miles north of the community of Williams in Colusa County

Project Description: The Colusa Generating Station Project is a 660 megawatt combined cycle power plant located 14 miles north of Williams and 4 miles west of I-5 in Colusa County, California.

On July 15, 2009, the California Energy Commission approved the above-described project pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. The project will not have a significant effect on the environment.
2. Mitigation measures were made a condition of approval of the project.
3. A statement of Overriding Considerations was not adopted for the project.

The Commission's docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. The final Decision and other information regarding the project are also available on the Commission's web site--www.energy.ca.gov.
