Attention: Compliance Filing

Dear Sirs:

This is to inform you that the Imperial Irrigation District (IID) is intending to enter into a contract for renewable energy in August 2009 with Greenhunter Mesquite Lake, LLC. The contract information is as follows:

Name of Counterparty: GreenHunter Mesquite Lake, LLC.

Location: Brawley, California

Technology: Biomass

Fuel: animal, agricultural and wood wastes as the primary fuel

Nameplate Capacity of Facility: 18.5 MW

Product description: Power Purchase Agreement for 15.0 MW
of base load energy.

Substitute energy allowed: No

Delivery Start/End Date: June 30, 2010 – June 29, 2029

IID is asking that the Commission find that this contract is compliant with the greenhouse gas emission performance standard set forth in Chapter 11 of Title 20 of the California Code of Regulations. Specifically, IID asserts herein that the facility under contract is compliant pursuant to Section §2903(b) of the regulations, and that any substitute energy allowable under the contract meets the requirements of Section §2906.

Please let me know if there is any additional information you may need to continue with this filing. I can be reached at 760.482.3368.

Sincerely,

NOE GUTIERREZ

Energy Resources Planner, Sr.
