Greetings! i would like to submit comments with respect to the July 29 event as follows:

1. WITH RESPECT TO THE ELIGIBILITY OF APPLICANTS- considering that the deadline set by CEC is Aug.5/09 for the submission of feedback- my group will make sure that our comments will be seriously taken into consideration. IN the guidelines you are showing in the online event, the Eligible Applicants are-Public, Non-Profit, Private Organizations. I WOULD LIKE TO REACT VEHEMENTLY AGAINST THIS REQUIREMENT, BECAUSE INDIVIDUALS WHO HAVE THE TECHNICAL KNOW HOW, AND CAPABILITY TO PARTICIPATE IN THIS ENERGY PROGRAM, BUT DOES NOT HAVE AN ORGANIZATION- WHETHER PUBLIC, NON-PROFIT, OR PRIVATE ORGANIZATION WILL BE EXCLUDED.

The undersigned is used to participate in various projects of the DOE and USDA AS AN INDIVIDUAL. Especially with respect to the programs of DOE- in the ELIGIBILITY REQUIREMENT- one can see that the DOE IS NOT VERY STRICT OR PARTICULAR WITH RESPECT TO THE ELIGIBILITY [REQUIREMENT.IN](#) ONE OF THE RECENT PROJECTS OF THE DOE- "an integrated bio refinery project" with a \$40 million funding opportunity announcement- the undersigned AS AN INDIVIDUAL WAS ALLOWED TO PARTICIPATE IN THE PROGRAM. MY humble plea- is for THE INCLUSION OF THE WORD-INDIVIDUAL IN THE ELIGIBILITY REQUIREMENT". SINCE, one of the goals of this ARRA SEP programs is to create employment- and the city where i live- Pomona, ca- is one of the hardest hit city in ca. please forward your reply asap if my plea is being given due course.

2. Please provide me the website- with respect to the July 29 proceedings, and also the first one- i think July 28. i understand that the events are recorded- however, my pc does not have a preinstalled recorder software. so i would presume that the events have been recorded and may be access by the public. i need to know , when will it be available, and what is the website.

I look foward to your reply. thanks a lot and have a great day.

Sincerely  
 edwin c figuerres
