DOCKET 09-ALT-1
DATE <u>OCT 14 2009</u>
RECD. <u>OCT 15 2009</u>

Subject: Docket # 09-ALT-1

The following CD (due to technical difficulties with CPUC facility, the first morning segment begins after the start of the meeting and the first afternoon segment has no audio from about 44 minutes and 30 seconds to 59 minutes and again from 1 hour 13:45 minutes to 1 hour 48:45 minutes of the workshop) is a recording of the Alternative and Renewable Fuel and Vehicle Technology Program's Electric Drive Integration and Infrastructure workshop held on October 12, 2009. The workshop was held at the California Public Utilities Commission in San Francisco, California.

This workshop was held in order to prepare for the development of the Investment Plan for the 2010-2011 Fiscal Year. Input was sought from various stakeholders to obtain information and data on vehicle deployment and cost, fueling infrastructure, fuel production, and barriers to commercialization.
