**RE: DOCKET NO. 09-IEP-1C - Demand Forecast. San Diego Gas and Electric (SDG&E)
Comments on the California Energy Commission's Demand 2010-2020 Staff Revised
Forecast, Second Edition Publication No. CEC-200-2009-012-SF2**

Dear Commissioners:

SDG&E appreciates the time and effort the CEC has put forth to revise its 2010-2020 Electricity Demand Forecast for California. SDG&E has reviewed the revisions, and given the amount of economic uncertainty at this time, SDG&E finds that the changes to the forecast for SDG&E's service territory are appropriate.

Very truly yours,

Tamara Rasberry
