Eric,  
I have a great concern for my property in Antelope Valley...I bought it approximately 35-40 years ago and have kept my taxes paid to date.

Parcel # 333-510-14 consisting of 2.5 acres of land and it is placed in our family Trust  
"Peters Family Trust  
1537 Enfield St  
Spring Valley Ca 91977

My question is will I have a good access to this property and if not will I be compensated for all my expenses concerning the property and inflation costs included.  
Respectfully yours,

William E & Encarnacion Peters
