Mr. Groover,

At your March 10, 2010 meeting. video available

([http://mountainhouse.granicus.com/MediaPlayer.php?view\\_id=2&clip\\_id=112](http://mountainhouse.granicus.com/MediaPlayer.php?view_id=2&clip_id=112)) ) the representatives form

Mariposa Energy (Paula) told your Board of Directors that you had plenty of time to submit you questions (data requests). Five days later I submitted data requests on the Project and Mariposa Energy has objected to the data requests as to late and refuses to answer them even though CEC Staff submitted data requests a few days earlier . I dont know what action the CEC will take to admonish Mariposa but I want you to be aware that Mariposa Energy has misrepresented the CEC Process to your board at a public meeting.  
Good luck.

Thank You

Bob Sarvey.
