Subject: Cassette tapes for Mandatory Status Conference
Docket No. 09-AFC-10

On March 22, 2010, the committee assigned to the Rice Solar Energy Power Plant Project (Docket No.: 09-AFC-10) held a mandatory status conference. Since a court reporter was NOT used, our office taped the conference on one cassette tape. The cassette tapes will be kept in the Hearing Office. If you would like a copy of the tape, please contact our office and we will be happy to get a copy to you.
