Subject: Cassette tapes for Mandatory Status Conference

On March 26, 2010, the Committee assigned to the Hydrogen Energy California Project (docket no.:08-AFC-08), held a mandatory Status Conference. Since a court reporter was NOT used, our office recorded the conference on a cassette tape. The tape will be kept in the Hearing Office. If you would like a copy of the conference tape, please contact our office and we will be happy to get a copy to you.
