Dear [REDACTED]

Thank you for being an Official Partner of our rebate program. I'm glad to announce that the official Rebate Application Form is now available. The form is attached below in form-fillable PDF format, and is also available on the Official Partners portion of the program website.

In addition, as an Official Partner that has pledged to receive consumers' old appliances and deliver them to a Certified Appliance Recycler, you are also able to provide the needed Proof of Recycling form when you receive your customers' old appliances. The Proof of Recycling form is also attached, and a Recycling Code number of [REDACTED] has been assigned to represent [REDACTED]. This number is to be entered on the Proof of Recycling form where the "Recycler's / Haulaway Provider's Certified Appliance Recycler Number" is requested. This number is **needed** for your customers to confirm that they used your service to meet the recycling requirement of the program.

Again, thank you for being an Official Partner of the Cash For Appliances program. If you have any questions please let us know.

Best regards,

Peter Strait, Cash For Appliances Program Technical Lead
