## Abengoa Mojave Solar 09-AFC-5

Document Title: San Bernardino County Fire Department - Map of Renewable Energy Projects, March 2010

The attached map is generated by the SBCFD that identifies locations of proposed renewable energy projects (thermal, wind, and PV), their existing fire stations, and their proposed fire stations.

This map is being docketed by CEC staff as a reference for Worker Safety and Fire Protection for the Abengoa Mojave Solar project.

# San Bernardino County

## Renewable Energy Projects

**Legend**

- Fire Station
- SOLAR
