Subject: Re: 09-AFC-5 Abengoa's Motion to Strike Testimony and Response to EmailOrder

Hearing Officer Vaccaro and parties:

The Applicant appears to request that the time to file responses to its Motion to Strike should be shortened to one or two business days, as its Supplemental Opening Testimony is scheduled to be filed "[imminently]," or tomorrow, July 13. Should the Committee be considering shortening the response time, and in the interest of signaling its intentions, Energy Commission Staff would like to inform the Committee and parties that it plans to file a response to the motion by Wednesday, July 14.
